

RING SIZING GUIDE

OPTION 1:- MEASURING AN EXISTING FINGER

1. Select an existing ring that fits the desired finger.
2. Measure the internal diameter of the ring (in mm)

3. Use the below chart to determine your ring size.

RING SIZE	9	10	11	12	13	14	15
INTERNAL DIAMETER (MM)	15.6	15.9	16.2	16.5	16.8	17.2	17.5

OPTION 2:- MEASURE YOUR FINGER

1. Wrap a strip of paper or thread around your finger where you'd like your ring to be.
2. Make sure that the paper/ thread is pulled snug to your finger, the tighter the better, to find your best fit.
3. Mark the spot where the paper/thread meets and measure the distance with a ruler (mm).
4. Use the below chart to determine your ring size.

RING SIZE	9	10	11	12	13	14	15
CIRCUMFERENCE (MM)	49	50.	50.	51.	52.	54.	55

Please Note: If your knuckle is visibly larger than the base of your finger

- Measure your knuckle size
- Measure your Ring Size i.e base of the finger
- Pick a size between the Two
